SBHS Class of 2021, we are so excited to be having face to face graduations this year. We have 2 plans that we are ready to implement.

Plan A is to have our graduation right here at South Broward High School in our football stadium on June 7th, at 7 PM. Our team is already working to make it the best graduation we have ever had at South Broward.

If CDC recommendations lighten just a little, we will be able to implement Plan B, which is having graduation at Nova Southeastern University on June 10th, at 7 PM.

Regardless of venue, each senior graduate will be allocated 2 guest tickets for graduation. **This will be the maximum allowance for all graduates across the district.** We appreciate your cooperation in advance, as we must abide by CDC guidelines and specific venue restrictions. We will continue to communicate graduation logistics as we receive guidance from the venues and the district.

We look forward to honoring the class of 2021 and again are excited that the district has worked hard to allow in person graduations during a global pandemic.

University Updates

Broward College to host Application Day for all seniors. Use link to register. There will be two sessions each day from April 6th to April 8th. Get into the jumpstart program for Summer & Fall 2021.

FIU's Connect4Success application workshop will be taking place this Wednesday at 6PM. As a refresher, Connect4Success is FIU's unique 2+2 pathway that reserves a student's place if they complete their AA degree at any state college in Florida. This is a great pathway for students who already have plans to attend a state college right out of high school as there are no test scores or high school transcripts required for admission. Students simply complete the application, submit the fee/fee waiver, and they are in!

In the application workshop there will be an overview of the program then students who are interested will be allowed to stay on for a step-by-step walk through of the application page by page to get questions answered.
